The Economist

Index to volume 283 April to June 1982 inclusive

Page numbers Each entry is followed by two page numbers The first (in Roman type) refers to UK-printed issues of The Economist, the second (in italics) to American-printed issues. American-printed issues are circulated in the USA, Canada and Mexico, and UK-printed issues in the rest of the world. If you are not sure which issues you have, check the note at the foot of the contents digest, which reads either "Printed in the UK" or "Printed in the USA".

Section indicators The section of The Economist in which an item appeared is indicated by a letter-code following the page numbers The codes are as follows:

A **A**merican Survey
B **B**rief
C Letters (**C**orrespondence)
E **E**urope
F **F**inance
I **I**nternational
L **L**eading Articles
M **M**eetings and reports of companies
P Business This Week **P**oints
R Book **R**eviews
S **S**urveys
T Science and **T**echnology
U Britain (**U**K)
W **W**orld Business
X E**X**tra

Entries by title Titles of Briefs, Leading Articles and Surveys are listed alphabetically under those headings

Book reviews are indexed by title (under the heading Book Reviews) and by author/editor (under the heading Authors of Books Reviewed). They are not indexed by subject.

LIBRARY

LAMER BRIAR PATRICK LIBRARY

The Economist

Index to volume 286 January to March 1983 inclusive

age numbers Each entry is followed by two page numbers. The first (in Roman type) refers to UK-printed issues of The Economist, the econd (in Italics) to American-printed issues. American-printed issues are circulated in the USA, Canada and Mexico, and UK-printed issues the rest of the world. If you are not sure which issues you have, check the note at the foot of the contents digest, which reads either "Printed in the UK" or "Printed in the USA".

ection indicators The section of The Economist in which an item appeared is indicated by a letter-code following the page numbers. he codes are as follows:

American Survey	I **I**nternational	S **S**urveys
Brief	L **L**eading Articles	T **S**cience and **T**echnology
Letters (**C**orrespondence)	M **M**eetings and reports of companies	U Britain (**U**K)
Europe	P **B**usiness This Week: **P**oints	W **W**orld Business
Finance	R Book **R**eviews	X E**X**tra

ntries by title Titles of Briefs, Leading Articles and Surveys are listed alphabetically under those headings.

ook reviews are indexed by title (under the heading Book Reviews) and by author/editor (under the heading Authors of Books eviewed). They are not indexed by subject

The Economist

Index to volume 288 July to September 1983 inclusive

Page numbers Each entry is followed by two page numbers. The first (in Roman type) refers to UK-printed issues of The Economist, the second (in italics) to American-printed issues. American-printed issues are circulated in the USA, Canada and Mexico, and UK-printed issues in the rest of the world. If you are not sure which issues you have, check the note at the foot of the contents digest, which reads either "Printed in the UK" or "Printed in the USA".

Section indicators The section of The Economist in which an item appeared is indicated by a letter-code following the page numbers. The codes are as follows:

- **A**merican Survey
- **B**rief
- **C**orrespondence (Letters)
- **E**urope
- **F**inance
- **I**nternational
- L **L**eading Articles
- M **M**eetings and reports of companies
- N **N**dicators
- P Business This Week: **P**oints
- R Book **R**eviews
- S **S**urveys
- T Science and **T**echnology
- U Britain (**UK**)
- W **W**orld Business
- X **EX**tra

Entries by title Titles of Briefs, Leading Articles and Surveys are listed alphabetically under those headings.

Book reviews are indexed by title (under the heading Book Reviews) and by author/editor (under the heading Authors of Books Reviewed). They are not indexed by subject.

ANANDA BAZAR PATRIKA LIBRARY

The Economist

Index to volume 290
January to March 1984 inclusive

age numbers Each entry is followed by three page numbers. The first (in Roman type) refers to UK-printed issues of The Economist, the econd (in italics) to American-printed issues, and the third (in square brackets) to Singapore-printed issues. American-printed issues are rculated in the USA, Canada and Mexico, Singapore-printed issues in the Asia/Pacific region, and UK-printed issues in the rest of the world you are not sure which issues you have, check the note at the foot of the contents digest, which reads "Printed in the UK" or "Printed in the SA" or "Printed in Singapore".

ection indicators The section of The Economist in which an item appeared is indicated by a letter-code following the page numbers he codes are as follows

- **A**merican Survey
- **B**rief
- Letters (**C**orrespondence)
- **E**urope
- **F**inance
- **I**nternational
- L **L**eading Articles
- M **M**eetings and reports of companies
- N **I**ndicators
- P Business This Week **P**oints
- R Book **R**eviews
- S **S**urveys
- T Science and **T**echnology
- U Britain (**U**K)
- W **W**orld Business
- X E**X**tra

ntries by title Titles of Briefs, Leading Articles and Surveys are listed alphabetically under those headings

ook reviews are indexed by title (under the heading Book Reviews) and by author/editor (under the heading Authors of Books ewed). They are not indexed by subject
